

Specifications

Height	1140mm
Width	600mm
Length	1400mm

Features

- Carries up to 7 tables. This will vary depending on the type of table being carried.
- Braked rear wheels.
- Non-marring 125mm x 30 mm thermo-plastic rubber 10mm wheel bearing for easy movement.
- Black powder coat.
- Carry 300kgs.
- Rubber or carpet is fitted to help preserve the edges of the tables.
- Made in Australia.
- 12 year warranty.

This cart is ideal if you have heavy tables – non Mity-Lite – which cannot be easily moved with 1 or 2 people. The cart slides underneath the erected table then the table can be tilted onto the cart and the legs folded.
