Utilising one of the Earth's strongest, lightest, most sustainable materials, the CS500's aluminium frame supports over 454kgs, yet each chair weighs only 5.6kgs. With its patented flex-back recline system and FormFlex™ seat base, plush MDI foam cushion, fluted aluminium frame, and thousands of frame finish / fabric style combinations, the CS500 offers unmatched comfort and elegance.

Features

- Strong yet lightweight aluminium for effortless handling & superior durability.
- Patented flex-back & FormFlex™ seat offer unmatched safety & seating comfort.
- Hundreds of traditional & sustainable fabrics to complement a variety of design needs.
- Permanent spill & stain protection on virtually any fabric with exclusive Nano-Tex™ option.
- Plush 64mm thick MDI polyurethane seat foam outlasts the competition.
- Rich colour options over fluted frame add depth & distinction.
- Environmentally friendly construction.
- Supports over 454kgs.
