

FLY CHAIR

FAMILY

PRODUCT STORY

The Fly chair is one of the most versatile pieces in the IG Design collection. A robust polypropylene shell on either a sled or 4 legged bases lends itself to an upholstered version, seat pad, linking, writing tablet and much more. The shell is designed to flex giving comfort to this beautifully designed piece.

**OPTIONS**

Polypropylene shell with a sled or 4 legged base. Upholstered seat pad available with additional items being linking devices, writing tables and barstool
