

DAISY LOUNGE
FAMILY

PRODUCT STORY

The Daisy lounge series has a real focus on comfort with high quality production detail and a minimal aesthetic.

Different leg applications provide opportunities across multiple applications.

In house fabric and COM available for this collection

OPTIONS

Beech legs, sled base, 4 star, 5 star on castors and fully upholstered shroud

DIMENSIONS

Height: 760mm
Width: 690mm
Depth: 720mm
Seat height: 410mm

FINISHES

Natural, Light, Walnut, Dark Walnut or Black Finishes

FABRICATION

Back and seat are one piece construction with injection mouldered foam over a metal frame support by steel springs. This ensure shape integrity in high wear commercial environments. Timber legs are European Beech for structural integrity.
