FAMILY

**PRODUCT STORY**

Frame is a modern chair with elegance stitch details. It is another chair that you can see B&T Design's upholstery masters' excellent tailoring skills. Very sleek design features slender edges and very fine craftsmanship. Seat can be specified with B&T Design's graded in fabrics and leathers as well as with COM/COL. While providing a comfortable sitting experience in offices, it is a suitable product for restaurants and cafés.

**DIMENSIONS**

Height: 860mm

Width: 550mm

Depth: 550mm

**FINISHES**

Metal leg finishes: Shiny chrome, Matt chrome,  
Electrostatic Powder Coated

**WARRANTY**

5 years

**FABRICATION**

Back and seat as one piece construction is made of polyurethane foam injection moulded over metal frame which is supported by steel springs. This gives consistent shape quality and structural longevity.
