PRODUCT STORY

The Green Chair, one of the most recognized designs by designer Alp Nuhoglu. The beautiful armrest rising with a delicacy reminiscent of the tulip flower, with the seat pad settled in harmony. Green with delicate stance is one of B&T Design products that can dance with colour. B&T Design can powder paint the metal base to match fabric colour on the seat. You may also create contrast, or order in standard polished aluminium bases. This chair would blend into any contemporary setting easily.

Office break rooms, hotel room, lobbies, waiting areas or even minimally designed living rooms are a great fit for these chairs. It can also be used in place of a guest seat in front of an executive desk. The Cross, Polo, Medal and Slot can be ordered around the smallest size of the table. B&T Design's entire graded in fabric collection, artificial or genuine leather are approved for this chair. Ordering in COM/COL is also possible.
