

## PRODUCT STORY

The Infinity range is ideal when you want to utilise a robust, versatile table without linen.

A highly durable edge detail is accompanied by woodgrain laminate options that give a great finish to the collection without sacrificing durability.

The Infinity range comes in many variations with a full family of products for ease of specification.

## OPTIONS

Quarter round, half round, round, oval and rectangle available. The T leg comes in chrome or a powder coated base to suit specification.

12 woodgrain finishes available to accompany
