4 legged timber, 4 legged metal powder coated to specification. In house and COM available for this collection

DIMENSIONS

Height: 880mm
Width: 680mm
Depth: 810mm

FINISHES

For beech woods: natural, walnut, venge finishes / for metal leg: electrostatic powder coating colours

WARRANTY

5 Years

FABRICATION

Back and seat are one piece construction with injection mouldered foam over a metal frame support by steel springs. This ensure shape integrity in high wear commercial environments
