

REGO  
FAMILY

## PRODUCT STORY

Rego is a Mid-Century inspired modern chair. With its spacious seating area, inviting armrests it's a very comfortable and robust chair. Another chair that you can see B&T Design's upholstery masters' impeccable craftsmanship. With its several different base options, Rego range is a large family. Rego easily finds space around the dining table in modern houses and apartments. Four and five-wheel office bases makes Rego a great meeting room chair or office chair in a contemporary workspaces. If you need a fantastic waiting room chair; you cannot go wrong with Rego. If you are looking for a stylish, modern desk chair for a hotel room; this is a great choice. We have spotted Regos nicely used as optimal lounge chair next to a sofa in living rooms. Rego is a quickly responding product that is needed in the container and space. Its injection moulded polyurethane foam chair. Perfectly suitable for residential or commercial applications.
