**PRODUCT STORY**

Zone at the intersection of elegance and simplicity is a chair with an integral body. Very sleek, minimally designed office chair. Many different base options lets you personalise this chair to your own taste. The legs can be coated in static paint colours; same colour as the fabric upholstery or any colour of your choice. Mechanism used on this office chair up and down as well as tilt back motions. The single body of the chair allows the sitting area and the back to move in parallel. It can be ordered as regular or high back. Also with or without arm

**DIMENSIONS**

Height:990mm  
Width:580mm  
Depth:570mm  
Seat Height: 440mm

**FINISHES**

Metal leg finishes: Electrostatic Powder Coated

**WARRANTY**

5 Years

**FABRICATION**

Back and seat as one piece construction is made of polyurethane foam injection moulded over metal frame which is supported by steel springs. This gives consistent shape quality and structural longevity.
