

Two modern, minimalist chairs are shown against a light gray background. The chair on the left is dark gray, and the chair on the right is bright red. Both chairs have a simple, angular design with a curved backrest and four legs. The text 'PLAZA CHAIR' is overlaid in large, white, sans-serif capital letters across the middle of the image.

PLAZA CHAIR

## PRODUCT STORY

Plaza is a multipurpose chair that has been designed to span a wide variety of applications and spaces. Manufactured using recyclable materials it is environmentally friendly and meets ANSI/ BIFMA X5.1-2011 international standards. If required plaza can be stacked separately or on a trolley for easy maneuverability.
