

24 SEVEN

FAMILY

PRODUCT STORY

The 24 SEVEN has been designed to provide incredible comfort for your guests and reduce the effort required for banqueting setups and take downs. The 8cm thick moulded and vented seat cushion provides added comfort and ensures the ongoing delight of your patrons while the 25mm aluminium tube frame is robust to ensure strength and durability but light enough to make life easy for your staff.

Best suited to banquets, conferences and meeting rooms in hotels, conference and convention centers, schools, universities, and churches this is your chair 24 hours a day 7 days a week.
