

PRESTIGE
FAMILY

PRODUCT STORY

PRESTIGE is a contemporary bentwood chair enhanced with an upholstered insert to bring greater comfort to restaurant and café patrons. The “4 legs” style frame can be powder coated or chromed to suit the décor. To protect the environment Innova Group encourages a powder coat option over chrome.

OPTIONS

Upholstered Seat. Powder coated or Chrome frame. In the interest of protecting the environment we always recommend a powder coat finish.

DIMENSIONS

Width: 45cm
Depth: 44cm
Height: 79cm

FINISH

Powder coat frame and a selection of timber stains.

FABRICATION

The legs are fabricated using mild steel tube making a frame upon which a bentwood shell is affixed.

WARRANTY

5 Years.

DESIGNER

Innova Group.
