ROYAL
FAMILY

PRODUCT STORY

ROYAL features a wide back for support with the addition of a flex mechanism not usually included in the design of similar chairs. Inspired by a bygone era the Royal will always attract attention as a banquet or conference chair and guests will particularly love the extra thick seat pad and comfortable flex back that set this chair apart. Stacking 8 high optimising storage, the Royal is perfect for banquets, conferences, and hotel rooms.

OPTIONS

A selection of inhouse and COM fabrics are available. The frame can be powder coated or finished in imitation wood grain.
