

PRODUCT STORY

Our COVID SAFE BARRIERS & SCREENS have been specifically designed to keep your staff and guests safe in the office, in the workspace or in a hospitality setting. A full range of designs, finishes and colours are available to suit the décor in your office or venue.

DIMENSIONS

Please refer to next page.

FABRICATION

Designed to be easily moved as required high grade aluminium has been used in the fabrication process. Quality Acrylic of varying colour is inserted in the frame profile. Castors are positioned to roll floor based partitions from place to place.

WARRANTY

5 Years.

DESIGNER

Innova Group.
