

SANITISER

STAND

PRODUCT STORY

Innova Group continues to provide you with what you need when you need it. Our new HAND SANITISER STAND has been designed to be adjustable to fit pretty much any size sanitizer dispenser. You can also create your own message on the message board. Suitable for schools, universities, churches, clubs, hotels, corporate offices, community halls, and government buildings, department stores and shops, our hand sanitizer stand will keep your staff and customers safe during this challenging period.

DIMENSIONS

Base: 350mm x 350mm
Pole: 1100mm

FABRICATION

The Sanitiser Stand is fabricated from steel to ensure strength and durability. The dispenser holder is adjusted with a wing nut on the rear of the stand.

WARRANTY

5 Years.
